LETTER OF WARNING

This office is in receipt of your June 13, 1983, letter in which you requested a three week extension, until July 18, 1983, for submittal of Part B completeness information.

Please be advised that your request is approved. However, the July 18 1983 due date is final and no additional extensions will be allowed.

Failure to provide all the information requested by the date specified will result in further enforcement action and possible withdrawal of interim status for your present activities.

Any questions regarding the technical aspects of the subjects above should be directed to Karen Flournoy, 816/374-6531 and any questions regarding potential enforcement action should be directed to Wayne Kaiser, 816/374-7133, the members of my staff most familiar with these subjects.

Sincerely yours,

David A. Wagoner  
Director  
Air and Waste Management Division
